oo Analogies

An **analogy** is two sets of words that you read as if they were a sentence.

The two sets of words go together in a special way.

The first pair of words indicates what the relationship is. You then complete the second set. The words can be related in several ways:

opposites, part to whole, a category, and location.

short : tall :: small : big (opposite)

toe : foot :: finger : hand (part to whole)

pine : tree :: apple : fruit (a category)

kitchen : stove :: bedroom : bed (location)

DIRECTIONS

Complete the following analogies using the -oo words below. Then write in the relationship - opposite, part to whole, a category, or location.

food cool loose foot book

goose smooth good roof tooth

sharp : dull :: warm : cool (opposite)

bottom : top :: basement : ()

up : down :: tight : ()

centimeter : meter :: inch : ()

fast : slow :: bad : ()

hard : soft :: rough : ()
